CONSENT FOR PSYCHOLOGICAL TESTING AND EVALUATION

I,, for	consent to allow
Terrel L. Templeman PhD to conduct a Psychological Evaluation.	
I understand that the purpose of this evaluation is for:	

I understand that this evaluation may include:

- 1) a face to face interview with Dr. Templeman to gather personal history, medical and psychiatric history, and information about my current functioning.
- 2) psychological testing.
- 3) collateral contacts with significant others, including family members, physicians, or other treatment providers.
- 4) a review of written information from previous evaluations, treatment providers, or referring agencies.
- 5) a written report summarizing Dr. Templeman's results and conclusions.

I also understand that Dr. Templeman uses only procedures and tests in accordance with the rules and guidelines of the American Psychological Association, that test scores will be interpreted according to scientific findings and guidelines from the professional literature, and that test questions, answers and results will be kept in a safe place to ensure my privacy and the protection of the integrity of the test instruments. Dr. Templeman may have office personnel administer and score certain tests or questionnaires but will be solely responsible for the interpretation of the results himself.

I understand that Dr. Templeman will use and disclose certain health information about me to process insurance forms. This information may be in the form of written or electronic records, oral communications, and may include my health status, presenting symptoms, test results, diagnosis, and conclusions drawn from this evaluation, all of which has been designated protected health information according to the Health Insurance Portability and Accountability Act of 1996.

I understand that Dr. Templeman may provide me a summary of my results and his conclusions about me from this evaluation either orally or in writing. Unless this evaluation was requested by a third party (see below), I also understand that I may direct him to send a copy of the final written report to those persons I authorize to receive it. I understand this authorization does not include raw test results or test questions which might compromise the integrity of the test or violate copyright law.
